New Colors, New *POSSIBILITIES*

112 New PANTONE Colors for Graphic Design

The PANTONE PLUS SERIES for graphics and multimedia now features 112 new solid colors for a total of 1,867 choices for selecting, specifying and matching PANTONE Solids! In addition to our thousands of process-only colors, cool pastels, hot neons, lustrous metallics, sizzling premium metallics and innovative design and production tools, it all adds up to the one system you need for graphics, packaging, web and display design.

FORMULA GUIDES Solid Coated and Solid Uncoated

1,867 brilliant Solid Color choices. Ink formulations are provided. Includes color index, lighting evaluation tool and PANTONE COLOR MANAGER® Software. Set of two guides, coated and uncoated.

FORMULA GUIDES Solid Coated and Solid Uncoated GP1601N

SOLID CHIPS Coated and Uncoated

All the PLUS SERIES Solid Colors in a convenient chip format that attaches to artwork and digital files for easy and consistent color communication. Includes color index. Set of two books, coated and uncoated.

SOLID CHIPS Coated and Uncoated GP1606N

COLOR BRIDGE® Coated and Uncoated

An invaluable multi-use color reference tool! Select and specify PANTONE Solid Colors or translate them for CMYK process, web pages and monitors. Includes color index, lighting evaluation tool and PANTONE COLOR MANAGER Software.

COLOR BRIDGE Coated GG6103N
 COLOR BRIDGE Uncoated GG6104N
 COLOR BRIDGE Coated and Uncoated Set GP6102N

CMYK Coated and Uncoated

2,868 CMYK colors, ideal for type, logos, borders, backgrounds and other graphics treatments. Screen tint percentages are provided. Includes color index, lighting evaluation tool and PANTONE COLOR MANAGER Software. Set of two guides, coated and uncoated.

CMYK Coated and Uncoated GP5101

EXTENDED GAMUT Coated

Pantone's PLUS SERIES EXTENDED GAMUT Coated Guide is printed with an extremely high quality, seven-color printing process using existing Cyan, Magenta, Yellow and Black (CMYK) inks plus commonly used Orange, Green and Violet (OGV) inks that 'extend' the color gamut significantly. Compare these new seven-color simulations to PANTONE Spot Colors and see how much closer you can get!

EXTENDED GAMUT Coated GG7000

SOLID-TO-SEVEN Set

Bundle the solid colors in the FORMULA GUIDE with the seven-color simulations in EXTENDED GAMUT Coated to make informed color decisions.

SOLID-TO-SEVEN Set 2015-004S

BRIDGE-TO-SEVEN Set

Decide when CMYK will suffice or when seven-color printing or solid inks are the better choice with this money-saving bundle.

BRIDGE-TO-SEVEN Set 2015-005S

METALLICS

301 exquisite metallic colors on coated paper add impact and elegance to your projects. Guide identifies the ink mixing formulas and the effects of a gloss aqueous coating. Chips book features six tear-out chips in each color that attach to artwork and design files for color accuracy. Both products include PANTONE COLOR MANAGER Software.

METALLICS Coated GG1507
METALLIC CHIPS Coated GB1507

PREMIUM METALLICS

300 dazzling metallic colors on coated paper add pop and sizzle to your designs. PREMIUM METALLICS can be easily coated without any loss in luster and have a longer life after printing without tarnishing or blemishing. Guide and chips book each include PANTONE COLOR MANAGER Software.

PREMIUM METALLICS Coated GG1505
PREMIUM METALLICS CHIPS Coated GB1505

PASTELS & NEONS

154 soothing pastels provide softness or subtlety and 56 hot neons add vibrancy to your designs. Chips book features six tear-out chips in each color. Guide includes ink mixing formulas and lighting evaluation tool. Coated and uncoated papers together in one guide or chips book. PANTONE COLOR MANAGER Software is included with both products.

PASTELS & NEONS Coated & Uncoated GG1504
PASTELS & NEONS CHIPS Coated & Uncoated GB1504

SOLID COLOR Set

1,867 solid color choices, in both fan guide and chips formats. Use fan guides to select, specify and match color, and attach tear-out chips to artwork and digital files for easy and consistent color communication.

SOLID COLOR Set GP1608N

SOLID GUIDE Set

The complete solid color guide collection from the PANTONE PLUS SERIES – more than 4,000 colors for print and more.

SOLID GUIDE Set GP1605N

METALLIC GUIDE Set
